Myatt says that Jones County Livestock producers contributed willingly and were most cooperative in helping to raise the Jones County quota.

Commenting before a group here this week, Mr. Myatt expressed his thanks to the local committeemen, and to the livestock producers for their contributions, and the work which they did to help put the program over the top. AT McMURRY TWIRLING SCHOOL — Donna Compton, right, daughter of Mr. and Mrs. R. D. Compton, is attending twirling classes at McMurry College Band and Twirling school which opened Monday. Pictured with her is Karen Lenamon of Albany, a McMurry senior and an Indian Band princess, an instructor in the school.

by Mrs. Elmer Joiner
About all the news you hear right now is the hot weather, when the temperature reaches over a hundred every day it is hot, but so far most of the nights have been fairly cool, some of them rather warm, but as long as the nights get cool the hot days can be endured with the aid of coolers.

Cotton crops are looking good but the hot, dry weather is really hurting the feed crop. Some of the older maize is going to still make good, but the younger maize is beginning to burn up. Flowers and gardens are also getting the full force of the heat, watering

just won't do much good when it is so hot and dry. Visitors in church Sunday were Mr. and Mrs. Nathan Stephens and three children, from Odessa, who were visiting his mother, Mrs. George Wainscott.

Sunday night Buster Nichols Hamlin, was in church with Buster Mackey, who is spending several weeks with the Grays.

Mrs. Flavil Holmes was a Tuesday afternoon visitor of Mrs. Henry.

Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Woodrow Goodwin and Linda, went to Crosbyton, last Thursday to

the hospital in that place to visit. The Goodwins visited with his sister, Mrs. Archie Hogan, of Spur, who had surgery the week before. The Joiners visited with the family of Sheriff Fletcher Stark, Mr. Stark not being in any condition to receive visitors. They also went to see his mother, Mrs. Mattie Stark, a resident of the care home, in Crosbyton.

Mr. Stark, who is sheriff of Crosbyton county, was shot on Sunday, by a fifteen year old Latin American youth, that he had gone to question, about a reported molestation, and has been in serious condition since, although he was moved to the Plainview Hospital, Saturday, where he will have more surgery as soon as his condition permits.

The Joiners were met in Crosbyton by his sister, Mrs. Henry Kee and brother, Sonny Joiner, of San Antonio, for a visit. Mr. Joiner had come to Lubbock upon hearing of the serious condition of Mr. Stark, since they are childhood friends.

Sunday afternoon visitors of the Winson Grays were, Mr. and Mrs. Albert Phillips, of Fontana, California.

Mr. and Mrs. H. L. Ford, Spencer and Diane, went to Carlsbad last Wednesday,

where they went through the Cavern, then on to Ruidosa, New Mex. spending the night. They attended the races Friday, returning home that night.

Mr. and Mrs. Winson Gray went to the singing at Hanna Sunday afternoon but it seems that there was no one there to play, and only a few present. Guess the singers were too pooped, from the heat, to come sing.

Saturday visitors of Mr. and Mrs. Henry were their daughter-in-law, Mrs. Jimmy Henry, Cathy and Judy, from Midland.

Mr. and Mrs. Jimmy Joiner and children, Stamford, were Sunday night visitors of the Elmer Joiners. Jimmy and son, Ronald, had been on an over night camp out, at the Hamlin lake. They only caught one fish, but it was a great experience for the little son, who termed it "a father and son" affair. Jeannie will be in G. A. camp, at Lueders, this week, so Ronald felt left out.

Word was received yesterday by the Flavil Holmes, that his mother, Mrs. Alma Holmes, who is visiting a daughter in California, had a stroke. At the last news Sunday afternoon, she was thought to be improving and if she doesn't suffer another, she is not in a serious condition.

OLD GLORY ...

By Judy White
Mrs. Jim Newman and four children of El Centro, Calif. have been here this week visiting her husband's parents, Mr. and Mrs. J. F. Newman.

Ennis Woodson, who formerly lived here, has been ill and has been a patient in Hendricks Hospital in Abilene for several weeks.

Mr. and Mrs. "Sprout" Baldree entertained a group of teenagers with a party last Friday night honoring their son Mike on his sixteenth birthday.

Major and Mrs. Glen T. Johnson and children of Wichita Falls were here last weekend visiting his parents. The time for the Wednesday night service has been changed from seven o'clock, to eight, for the summer months, with the visiting preacher and song leader present, for the success of the revival, which will begin Monday, July 19 and run through the 25. Rev. Bill Irwin will do the preaching and Ronnie Lee will do the singing. We are hoping for lots of visitors, since there are not several area revivals going on, as it usually is when ours is scheduled.

Mr. and Mrs. B. R. Johnson. Mr. and Mrs. Garrett Spitzer and Weldon were in Abilene last Saturday visiting their daughter and family, the Dean Letz's. While they were there they helped the Letz's move into the new home they recently purchased.

Carolyn Sander, a 1965 graduate of Old Glory High School, enrolled as a student in Abilene Commercial College in Abilene last week.

Students who are attending college this summer and were home visiting their parents last weekend included Tommy Letz, son of Mr. and Mrs. Charlie Letz, Donna Pierce, daughter of Mr. and Mrs. C. T. Pierce; and Linda Kay Newman, daughter of Mr. and Mrs. J. F. Newman.

A group of Luther Leaguers and the pastor from St. Paul Lutheran Church in Sagerton had a swimming party and ate in the park at Haskell last Saturday. Among those who attended were the following young people from the Old Glory com.: Linda and Clifford Gholson, Nancy and Marvin Vahlenkamp, Rita and Mike Baldree, Cindy and Rebecca Letz and Danny Lamert.

HD Agent Offers Quick Substitutes For Ingredients

Most every cook gets caught without a certain ingredient at one time or another. With proper know how you can make without certain ingredients at some quick substitutions says Mary Y. Newberry, Jones County Home Demonstration Agent. Here are some equivalents which may help you out of a difficulty sometime.

For 1 cup butter or margarine, use 7-8 cup lard, or 7-8 cup oil, or 1 cup hydrogenated fat. Add about 1-2 teaspoon salt with each, if desired.

For 1 square (ounce) chocolate, substitute 3 or 4 tablespoons cocoa plus 1-2 tablespoons fat.

You may use 2 eggs yolks instead of 1 whole egg for thickening or baking.

In baking, if recipe calls for sweet milk and baking powder,

use an equal amount of sour milk plus 1-2 teaspoon soda per cup. Each half teaspoon soda with 1 cup sour milk takes the place of 2 teaspoon baking powder and 1 cup sweet milk.

One tablespoon granulated tapioca or 1-2 tablespoon corn starch is equivalent to 1 tablespoon flour when used for thickening.

INTERGRATION PLAN FOR THE HAMLIN INDEPENDENT SCHOOL DISTRICT FOR 1965-66

PUBLIC NOTICE

25, 26, and 27, 1965 at the school they choose to attend, beginning at 9:00 a. m. each day.

This choice is granted to you for your child.

Any pupil who does not make a choice of the school he desires to attend, will be enrolled in the school nearest his residence where space is available, without regard to race, color or national origin.

No teacher, principal or other official is permitted to advise you or make any recommendations or otherwise influence your decision. No child will be favored or penalized because of the choice made.

Pupil placement, in case of over-crowded results, at any school from the choice made, preference will be given those pupils choosing the school who lives closest to school, without regard to race, color, or national origin or prior attendance at the school.

There will be no discrimination based on race, color, or national origin in any school connected services, facilities, activities or programs. Our transportation for the 1965-66 school year will be integrated.

The integrated plan described above is only for one year 1965-66. New plans must be submitted each year, hence Bill Harbert, President of School Board Hamlin Independent School.

The Board of Education of the Hamlin Independent School District adopted the following policies:

"By unanimous vote, the Board of Education of the Hamlin Independent School District voted to integrate all high school grades (9-12), being served by only one high school for the 1965-66 school year; also, to maintain the elementary schools as now exists (1-8) on a freedom of choice plan. This means that any child in the Hamlin Independent School District in grades one through eight may attend any school in the Hamlin school district of his choice."

Due to the above policy, a letter with a registration form grades 1-8, will be mailed you for each of your children, and we are requesting you to fill out indicating your choice of school. Also, enclosed is a self addressed envelope to the superintendent of schools, to be used for returning your forms. This form must be returned by August 15, 1965. The high school students have already registered for the 1965-66 school year.

After we receive the registration forms of choice of schools by the students, there will be registration for the 6, 7, and 8th grades on August

On days when the heat is unbearable, people go to the lakes or beaches to be cool and comfortable. The cool breeze of the lake or sea shore is air in motion that has been cooled by the process of water evaporation. This same process is created by a Paramount Evaporative Cooler. The large squirrel cage blower continuously pulls outside air through wet redwood filters thereby lowering the temperature through evaporation of water in the filters. This cool, fresh, filtered air is then directed into the area to be cooled.

Some of the advantages of a Paramount Cooler are:

- Low cost of equipment, operation and maintenance
- Quick and easy installation
- Maximum comfort at all times
- 100% fresh, cooled, filtered air
- Fresh air ventilation, without cooling, for spring and fall—just turn off the water

See the Paramount DeVille evaporative cooler at your WTU Showroom.

Normal installation FREE for WTU residential customers.

Chairman Myatt says that the screwworm program in Jones county and in the State of Texas has been a big success and has saved Livestock Producers millions of dollars in labor, drugs and other expense connected with treating cattle for screwworm infestations.

Commenting before a group here this week, Mr. Myatt expressed his thanks to the local committee, and to the livestock producers for their contributions and the work which they did to help put the program over the top. Mr. Myatt also cautions livestock producers to continue sending off screwworm samples for identification and to treat all injured livestock for prevention of screwworm outbreaks to help keep the program effective. This is to advise the person or persons responsible for the distribution of poison in the Northwest Section of Hamlin that you have succeeded in obliterating most of the dogs in that area; plus breaking the hearts of many children. We can do without the dogs and can comfort our children if they are alive.

May we please ask you not to poison our children too? We love them.

REV. LOYCE S. ESTES

Anson Presbyterian Church Plans July Revival

Rev. Loyce S. Estes will be at the First Presbyterian Church, Anson, to hold a series of nightly preaching services, July 18-21, at 7:30 p. m.

Rev. Estes, minister of the First Cumberland Presbyterian Church of Austin, comes to Anson as a much sought after speaker for revivals and preaching missions. The Anson preaching mission will be the 123rd such meeting he has held during his ministry and the third for the summer.

He received his ministerial training from Bethel College and the Cumberland Presbyterian Theological Seminary Nashville, Tenn. He has held pastorates in Longview, Camden, Arkansas, Lubbock, and Austin. While in Lubbock, serving the First Cumberland Presbyterian Church, the church more than tripled its membership during his pastorate. For the past five years he has served the First Cumberland Presbyterian Church of Austin and during this time over 450 persons have united with the church.

During the summer of 1964, Mr. Estes went as one of the two official representatives of the Cumberland Presbyterian Church to the meeting of the World Presbyterian Alliance, Frankfurt, Germany.

FAIRVIEW NEWS

by Mrs. Elmer Joiner
About all the news you hear right now is the hot weather, when the temperature reaches over a hundred every day it is hot, but so far most of the nights have been fairly cool, some of them rather warm, but as long as the nights get cool the hot days can be endured with the aid of coolers.

Just won't do much good when it is so hot and dry.
Visitors in church Sunday were Mr. and Mrs. Nathan Stephens and three children, from Odessa, who were visiting with his mother, Mrs. George Wainscott.
Sunday night Buster Nichols Hamlin, was in church with Buster Mackey, who is spending several weeks with the Grays.
Mrs. Flavil Holmes was a Tuesday afternoon visitor of Mrs. Henry.
Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Woodrow Goodwin and Linda, went to Crosbyton, last Thursday to

the hospital in that place to visit. The Goodwins visited with his sister, Mrs. Archie Hogan, of Spur, who had surgery the week before. The Joiners visited with the family of Sheriff Fletcher Stark, Mr. Stark not being in any condition to receive visitors. They also went to see his mother, Mrs. Mattie Stark, a resident of the care home, in Crosbyton.

Mr. Stark, who is sheriff of Crosbyton county, was shot on Sunday, by a fifteen year old Latin American youth, that he had gone to question, about a reported molestation, and has been in serious condition since, although he was moved to the Plainview Hospital, Saturday, where he will have more surgery as soon as his condition permits.

The Joiners were met in Crosbyton by his sister, Mrs. Henry Kee and brother, Sonny Joiner, of San Antonio, for a visit. Mr. Joiner had come to Lubbock upon hearing of the serious condition of Mr. Stark, since they are childhood friends.

Sunday afternoon visitors of the Winson Grays were, Mr. and Mrs. Albert Phillips, of Fontana, California.

Mr. and Mrs. H. L. Ford, Spencer and Diane, went to Carlsbad last Wednesday,

where they went through the Cavern, then on to Ruidosa, New Mex. spending the night. They attended the races Friday, returning home that night.

Mr. and Mrs. Winson Gray went to the singing at Hanna Sunday afternoon but it seems that there was no one there to play, and only a few present. Guess the singers were too pooped, from the heat, to come sing.

Saturday visitors of Mr. and Mrs. Henry were their daughter-in-law, Mrs. Jimmy Henry, Cathy and Judy, from Midland.

Mr. and Mrs. Jimmy Joiner and children, Stamford, were Sunday night visitors of the Elmer Joiners. Jimmy and son, Ronald, had been on an over night camp out, at the Hamlin lake. They only caught one fish, but it was a great experience for the little son, who termed it "a father and son" affair. Jeannie will be in G. A. camp, at Laeders, this week, so Ronald felt left out.

Word was received yesterday by the Flavil Holmes, that his mother, Mrs. Alma Holmes, who is visiting a daughter in California, had a stroke. At the last news Sunday afternoon, she was thought to be improving and if she doesn't suffer another, she is not in a serious condition.

OLD GLORY ...

By Judy White
Mrs. Jim Newman and four children of El Centro, Calif., have been here this week visiting her husband's parents, Mr. and Mrs. J. F. Newman.

Ennis Woodson, who formerly lived here, has been ill and has been a patient in Hendricks Hospital in Abilene for several weeks.

Mr. and Mrs. "Sprout" Baldree entertained a group of teenagers with a party last Friday night honoring their son Mike on his sixteenth birthday.

Major and Mrs. Glen T. Johnson and children of Wichita Falls, were here last weekend visiting his parents.

The time for the Wednesday night service has been changed from seven o'clock, to eight, for the summer months, with the visiting preacher and song leader present, for the success of the revival, which will begin Monday, July 19 and run through the 25. Rev. Bill Irwin will do the preaching and Ronnie Lee will do the singing. We are hoping for lots of visitors, since there are not several area revivals going on, as it usually is when ours is scheduled.

Mr. and Mrs. B. R. Johnson. Mr. and Mrs. Garrett Spitzer and Weiden were in Abilene last Saturday visiting their daughter and family, the Dean Letz's. While they were there they helped the Letz's move into the new home they recently purchased.

Carolyn Sander, a 1965 graduate of Old Glory High School, enrolled as a student in Abilene Commercial College in Abilene last week.

Students who are attending college this summer and were home visiting their parents last weekend included Tommy Letz, son of Mr. and Mrs. Charlie Letz, Donna Pierce, daughter of Mr. and Mrs. C. T. Pierce, and Linda Kay Newman, daughter of Mr. and Mrs. J. F. Newman.

A group of Luther Leaguers and the pastor from St. Paul Lutheran Church in Sagerton had a swimming party and ate in the park at Haskell last Saturday. Among those who attended were the following young people from the Old Glory com.: Linda and Clifford Gholson, Nancy and Marvin Vahlenkamp, Rita and Mike Baldree, Cindy and Rebecca Letz and Danny Lambert.

Mr. and Mrs. Loyd Burkhardt have returned after vacationing a month in San Francisco, Calif., Oregon, Yellow Stone, Wyoming and Scott's Bluff, Nebraska.

Dawn Lynette is the new daughter of Mr. and Mrs. Thomas Richard Smith of Aspermont. She weighed 6 lbs. 7 oz. and was born July 7 at 8:45 a. m.

HD Agent Offers Quick Substitutes For Ingredients

Most every cook gets caught without a certain ingredient at one time or another. With proper know how you can make without certain ingredient at some quick substitutions says Mary Y. Newberry, Jones County Home Demonstration Agent. Here are some equivalents which may help you out of a difficulty sometime.

For 1 cup butter or margarine, use 7-8 cup lard, or 7-8 cup oil, or 1 cup hydrogenated fat. Add about 1-2 teaspoon salt with each, if desired.

For 1 square (ounce) chocolate, substitute 3 or 4 tablespoons cocoa plus 1-2 tablespoon fat.

You may use 2 eggs yolks instead of 1 whole egg for thickening or baking.

In baking, if recipe calls for sweet milk and baking powder,

use an equal amount of sour milk plus 1-2 teaspoon soda per cup. Each half teaspoon soda with 1 cup sour milk takes the place of 2 teaspoon baking powder and 1 cup sweet milk.

One tablespoon granulated tapioca or 1-2 tablespoon corn starch is equivalent to 1 tablespoon flour when used for thickening.

INTERGRATION PLAN FOR THE HAMLIN INDEPENDENT SCHOOL DISTRICT FOR 1965-66

PUBLIC NOTICE

The Board of Education of the Hamlin Independent School District adopted the following policies:

"By unanimous vote, the Board of Education of the Hamlin Independent School District voted to integrate all high school grades (9-12), being served by only one high school for the 1965-66 school year; also, to maintain the elementary schools as now exists (1-8) on a freedom of choice plan. This means that any child in the Hamlin Independent School District in grades one through eight may attend any school in the Hamlin school district of his choice."

Due to the above policy, a letter with a registration form grades 1-8, will be mailed you for each of your children, and we are requesting you to fill out indicating your choice of school. Also, enclosed is a self addressed envelope to the superintendent of schools, to be used for returning your forms. This form must be returned by August 15, 1965. The high school students have already registered for the 1965-66 school year.

After we receive the registration forms of choice of schools by the students, there will be registration for the 6, 7, and 8th grades on August

25, 26, and 27, 1965 at the school they choose to attend, beginning at 9:00 a. m. each day. This choice is granted to you for your child.

Any pupil who does not make a choice of the school he desires to attend, will be enrolled in the school nearest his residence where space is available, without regard to race, color or national origin. No teacher, principal or other official is permitted to advise you or make any recommendations or otherwise influence your decision. No child will be favored or penalized because of the choice made.

Pupil placement, in case of over-crowded results, at any school from the choice made, preference will be given those pupils choosing the school who lives closest to school, without regard to race, color, or national origin or prior attendance at the school.

There will be no discrimination based on race, color, or national origin in any school connected services, facilities, activities or programs. Our transportation for the 1965-66 school year will be integrated.

The integrated plan described above is only for one year 1965-66. New plans must be submitted each year, hence Bill Harbert, President of School Board Hamlin Independent School.

On days when the heat is unbearable, people go to the lakes or beaches to be cool and comfortable. The cool breeze of the lake or sea shore is air in motion that has been cooled by the process of water evaporation. This same process is created by a Paramount Evaporative Cooler. The large squirrel cage blower continuously pulls outside air through wet redwood filters thereby lowering the temperature through evaporation of water in the filters. This cool, fresh, filtered air is then directed into the area to be cooled.

Some of the advantages of a Paramount Cooler are:

- Low cost of equipment, operation and maintenance
- Quick and easy installation
- Maximum comfort at all times
- 100% fresh, cooled, filtered air
- Fresh air ventilation, without cooling, for spring and fall—just turn off the water

See the Paramount DeVille evaporative cooler at your WTU Showroom.

Normal installation FREE for WTU residential customers.
